

FINANCIAL AID APPLICATION

A limited number of financial aid awards are available for students demonstrating financial need. Students who have never applied for an award must fill out an application and submit proof of income. Students who have previously submitted a 2015 proof of income need only submit the application. Proof of income must be updated every year, and you must notify us if your income has changed.

Priority may be given to first-time students. The number of awards is based on available funds and may be limited. Awards do not cover the total cost of the class. Acceptable forms for proof of income are: 1040, 1040 NR, 1040 EZ, SSI, SSDI or public assistance statement. Co-payments are due at the time of registration. For more information call 412-361-0455 x324. Financial Aid co-payments are non-refundable.

Financial Aid transfers are subject to approval.
